Avago Technologies has received an overwhelming last time buy demand for certain products listed in Product Obsolescence Notification: [OBS070312WSD2](#). Limited raw material and production capacity is constraining us from fulfilling the shipment within the last time ship period (31st July 2013).

Avago Technologies is announcing that the last time ship period for the products listed below will now be extended to [28th Feb 2014](#). We are working at the fastest pace possible to support customer shipments.
